- 320 such warranties, representations, and guarantees are hereby disclaimed. The sole remedy of Buyer as to any such items will be to make
- 321 such claims as are appropriate under the manufacturer's warranties.
- 322 (B) **Limited Warranty:** Except as set forth in any limited warranty that may be provided herewith, **SELLER MAKES NO OTHER**
- 323 **REPRESENTATIONS OR WARRANTIES OF ANY NATURE, EXPRESS OR IMPLIED, INCLUDING BUT NOT**
- 324 **LIMITED TO, THOSE OF WORKMANLIKE CONSTRUCTION, HABITABILITY, DESIGN, CONDITION, QUALITY**
- 325 **OR OTHERWISE AS TO THE PROPERTY AND THE RESIDENCE AND OTHER IMPROVEMENTS CONSTRUCTED**
- 326 **THEREON, AND SELLER HEREBY EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATIONS OR WARRANTIES.**
- 327 Buyer hereby acknowledges and accepts such disclaimer and agrees to waive any and all rights Buyer may have by virtue of such
- 328 representations and warranties. Except for the warranties provided by Seller, Buyer assumes the risk of any and all damage from the
- 329 date of settlement, occurring in or appearing on the Property regardless of the cause thereof. Buyer's assumption of this risk is
- 330 partially in consideration of the amount of the purchase price of the Property which is lower than it would be if Seller was to be held
- 331 responsible for any such risks by virtue of said expressed or implied representations or warranties.
- 332 **26. REPRESENTATIONS (8-08)**
- 333 (A) All representations, claims, advertising, promotional activities, brochures or plans of any kind made by Seller, Brokers, their licensees,
- 334 employees, officers or partners are not a part of this Agreement unless expressly incorporated or stated in this Agreement. This
- 335 Agreement contains the whole agreement between Seller and Buyer, and there are no other terms, obligations, covenants,
- 336 representations, statements or conditions, oral or otherwise, of any kind whatsoever concerning this sale. This Agreement will not be
- 337 altered, amended, changed or modified except in writing executed by the parties.
- 338 (B) Buyer acknowledges that Brokers, their licensees, employees, officers or partners have not made any assessment of the plan, drawings,
- 339 specifications, or such documents as have bearing on the nature and quality of the structures to be built by Seller. Furthermore,
- 340 Brokers, their licensees, employees, officers, and partners make no representation with respect to permits or such other evidence of
- 341 government approval for the construction of the structures to be built by Seller, or of the environmental conditions, the permitted uses,
- 342 the financial condition of Seller, or the conditions existing in the locale where the property is situated nor have they made an
- 343 inspection of the components, appliances, systems, or consumer products to be installed in or about the Property.
- 344 (C) Broker(s) have provided or may provide services to assist unrepresented parties in complying with this Agreement.
- 345 **27. TIME PERIODS (8-08)**
- 346 (A) Dates and times referred to for the performance of any of the obligations of this Agreement are agreed to be of the essence of this
- 347 Agreement and are binding, unless otherwise specified.
- 348 (B) For the purposes of this Agreement, number of days will be counted from the date of execution, by excluding the day this Agreement
- 349 was executed and including the last day of the time period.
- 350 (C) Certain time periods are pre-printed in this Agreement as a convenience to the Buyer and Seller. Any pre-printed time periods are
- 351 negotiable and may be changed by striking out the pre-printed text and inserting a different time period acceptable to all parties.
- 352 **28. DEFAULT (9-05)**
- 353 (A) Seller has the option of retaining all sums paid by Buyer, including the deposit monies, should Buyer:
- 354 1. Fail to make any additional payments as specified in paragraph 4; OR
- 355 2. Furnish false or incomplete information to Seller, Broker(s), or any other party identified in this Agreement concerning Buyer's
- 356 legal or financial status, OR

- 357 3. Violate or fail to fulfill and perform any other terms or conditions of this Agreement;
- 358 (B) **Unless otherwise checked in paragraph 28 (C)**, Seller may elect to retain those sums paid by Buyer, including deposit monies:
- 359 1. On account of purchase price; OR
- 360 2. As monies to be applied to Seller's damages; OR
- 361 3. As liquidated damages for such breach.
- 362 (C) **SELLER IS LIMITED TO RETAINING SUMS PAID BY BUYER, INCLUDING DEPOSIT MONIES, AS**
- 363 **LIQUIDATED DAMAGES.**
- 364 (D) If Seller retains all sums paid by Buyer, including deposit monies, as liquidated damages pursuant to paragraph 28 (B) or (C), Buyer
- 365 and Seller will be released from further liability or obligation and this Agreement will be VOID.

366 **29. TERMINATION & RETURN OF DEPOSITS (8-08)**

- 367 (A) Where Buyer terminates this Agreement pursuant to any right granted by this Agreement, all deposit monies paid on account of
- 368 purchase price will be returned to Buyer and this Agreement will be VOID. The broker holding the deposit monies may only release
- 369 the deposit monies according to the terms of a fully executed written agreement between Buyer and Seller and as permitted by the
- 370 Rules and Regulations of the State Real Estate Commission.
- 371 (B) If there is a dispute over entitlement to Broker-held deposit monies, a broker is not legally permitted to determine if a breach occurred
- 372 or which party is entitled to deposit monies. A broker holding the deposit monies is required by the Rules and Regulations of the
- 373 State Real Estate Commission to retain the monies in escrow until the dispute is resolved. In the event of litigation over deposit
- 374 monies, a broker will distribute the monies according to the terms of a final order of court of a written agreement of the parties. Buyer
- 375 and Seller agree that, if any broker or affiliated licensee is joined in litigation regarding deposit monies, the attorney's fees and costs of
- 376 the broker(s) and licensee(s) will be paid by the party joining them.
- 377 (C) **Non-refundable pre-paid options/extras/alterations paid pursuant to paragraph 3 (B) (3) are not considered to be deposits and**
- 378 **will not be returned according to paragraph 29 (A), except as provided in paragraph 4(D).**

379 **30. REAL ESTATE RECOVERY FUND (9-05)**

380 A Real Estate Recovery Fund exists to reimburse any persons who have obtained a final civil judgment against a Pennsylvania real estate

381 licensee owing to fraud, misrepresentation, or deceit in a real estate transaction and who have been unable to collect the judgment after

382 exhausting all legal and equitable remedies. For complete details about the Fund, call (717) 783-3658 or (800) 822-2113 (within

- 389 System.
- 390 (C) Any agreement to mediate disputes arising from this Agreement will survive settlement.
- 391 (D) **MEDIATION IS WAIVED.** Buyer and Seller understand that they may choose to mediate at a later date should a dispute or
- 392 claim arise, but that there will be no obligation for any party to do so.

COMMUNICATIONS WITH BUYER AND/OR SELLER

Wherever this Agreement contains a provision that requires or allows communication/delivery to a Buyer, said provision shall be satisfied by communications/delivery to the Broker for Buyer, if any. If there is no Broker for Buyer, all such provisions may be satisfied only by communication/delivery being made directly to the Buyer, unless otherwise agreed to by the parties.

Wherever this Agreement contains a provision that requires or allows communication/delivery to a Seller, said provision shall be satisfied by communication/delivery to the Broker for Seller, if any. NOTICE REGARDING CONVICTED SEX OFFENDERS (MEGAN'S LAW)

The Pennsylvania General Assembly has passed legislation (often referred to as "Megan's Law," 42 Pa.C.S. § 791 et. seq.) providing for community notification of the presence of certain convicted sex offenders. Buyers are encouraged to contact the municipal police department or the Pennsylvania State Police for information relating to the presence of sex offenders near a particular property, or to check the information on the Pennsylvania State Police Web site at www.pameganslaw.state.pa.us.

INFORMATION REGARDING REAL ESTATE TAXES (Paragraph 3: Terms)

Real Estate Tax Proration: For purposes of prorating real estate taxes, the "periods covered" by the tax bills are as follows:

Municipal Taxes: For all counties and municipalities in Pennsylvania, tax bills are for the period January 1 to December 31.

School Taxes: For all school districts, other than the Philadelphia, Pittsburgh and Scranton school districts, the period covered by the tax bill is July 1 to June 30. For the Philadelphia, Pittsburgh and Scranton school districts, tax bills are for the period January 1 to December 31.

Real Estate Assessment Notice: : In Pennsylvania, taxing authorities (school districts and municipalities) and property owners may appeal the assessed value of a property at the time of sale, or at any time thereafter. A successful appeal by a taxing authority may result in a higher assessed value for the property and an increase in property taxes. Also, periodic county-wide property reassessments may change the assessed value of the property and result in a change in property tax.

Interim Tax Assessment: : It is traditional for a property's value to be reassessed (to include the value of any buildings and improvements) at or after the time a use and occupancy permit is issued.

NOTICE TO BUYERS SEEKING MORTGAGE FINANCING (Paragraph 5: Mortgage Contingency)

The appraised value of the Property is used in determining the maximum amount of the loan and may be different from the purchase price and/or market value.

NOTICES AND INFORMATION ON PROPERTY CONDITION INSPECTIONS (Paragraph 7: Inspections)

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

PROPERTY INSPECTION NOTICES

Property Inspection: Inspections of the Property can be performed by professional contractors or a home inspector, and may include inspections of: structural components; roof; exterior windows and exterior doors; exterior siding, fascia, gutters, and downspouts; appliances; electrical, plumbing, heating, and cooling systems; water penetration; and any other items Buyer may select. Other inspections or certifications might include: Environmental Hazards (e.g., Mold, Indoor Air Quality, Asbestos, Underground Storage Tanks, etc.), Electromagnetic Fields, Wetlands Inspection, Flood Plain Verification, Property Boundary/Square Footage Verification, and any other items Buyer may select. Buyer is advised to investigate easements, deed and use restrictions (including any historic preservation restrictions or ordinances) that apply to the Property and to review local zoning ordinances.

Flood Plains: If the Property is located in a flood plain, Buyer may be required to carry additional insurance.

Property Boundary / Square Footage: Seller has not had the Property surveyed. Any fences, hedges, walls and other natural or constructed barriers may or may not represent the true boundary lines of the Property. Any numerical representations of square footage of the structure(s) and/or lot size are approximations only and may be inaccurate. If Buyer wishes to verify the Property's boundaries or square footage, Buyer is advised to engage a professional surveyor or obtain an independent measurement of the structure(s) and/or lot size.

Water Service: Buyer may elect to have the water service inspected by a professional water testing company. In addition, on-site water service

systems may have to meet certain quality and/or quantity requirements set by the municipality or the lender.

Wood-Destroying Insect Infestation: Insects whose primary source of food is wood, such as termites, wood-boring beetles, carpenter ants, carpenter bees, and certain other insects, can cause damage to the wood structure of a residence. Termite and Pest Control companies are available to make inspections to determine whether wood-destroying insects are present. Because of the way these insects function, damage to wood may be hidden. Careful selection should be made of skilled experts in the termite/pest control field to insure a proper determination of whether wood-boring insects or resultant damage is present.

Exterior Insulation and Finish Systems (EIFS) Exterior Insulation and Finish Systems-sometimes referred to as synthetic stucco-are multi-layered wall systems applied to the exterior of some homes. Poor or improper installation of EIFS may result in moisture penetrating the surface of a structure where it may cause damage to the building's frame. Leakage most frequently occurs near doors and windows, gutters, the roof connection and at the lowermost edge of the exterior surface. Vulnerability to leakage depends on structure design as well as the expertise and application skills of the contractor. Damage caused by water intrusion may be both extensive and expensive to repair but may go undetected in the absence of an adequate inspection. Buyers purchasing homes with EIFS construction may seek to engage an inspector experienced in testing for EIFS-related problems who can determine the moisture content of the building's frame.

ENVIRONMENTAL NOTICES

Electromagnetic Fields: Electromagnetic Fields (EMFs) occur around all electrical appliances and power lines. Conclusive evidence that EMFs pose health risks does not exist at present, and Pennsylvania has no laws regarding this issue.

Environmental Hazards: The U.S. Environmental Protection Agency has a list of hazardous substances, the use and disposal of which are restricted by law. Generally, if hazardous substances are found on a property, it is the property owner's responsibility to dispose of them properly. For more information and a list of hazardous substances, contact U.S. Environmental Protection Agency, Region 3, 1650 Arch Street (3PM52), Philadelphia, PA 19103-20029, (800) 438-2474.

Wetlands: Wetlands are protected by both the federal and state governments. Buyer may wish to hire an environmental engineer to investigate whether the Property is located in a wetlands area to determine if permits for plans to build, improve or develop the property would be affected or denied because of its location in a wetlands area.

Radon: Radon is a natural, radioactive gas that is produced in the ground by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can increase the risk of lung cancer. Radon can find its way into any air-space, including basements and crawl spaces and can permeate a structure. The U.S. Environmental Protection Agency (EPA) advises corrective action if the annual average exposure to radon exceeds 0.02 working levels or 4 picocuries/liter. If a house has a radon problem, it usually can be cured by increased ventilation and/or by preventing radon entry. Any person who tests, mitigates, or safeguards a building for radon in Pennsylvania must be certified by the Department of Environmental Protection. Information about radon and about certified testing or mitigation firms is available through Department of Environmental Protection, Bureau of Radiation Protection, 13th Floor, Rachel Carson State Office Building, P.O. Box 8469, Harrisburg, PA 17105-8469, (800) 23RADON or (717) 783-3594.

Mold/Fungi and Indoor Air Quality: Indoor mold contamination and the inhalation of bioaerosols (bacteria, mold spores, pollen, and viruses) have been associated with allergic responses including upper respiratory congestion, cough, mucous membrane irritation, fever, chills, muscle ache or other transient inflammation or allergy. Claims have been asserted that exposure to mold contamination and bioaerosols has led to serious infections, immunosuppression and illnesses of neuro or systemic toxicity. Sampling of indoor air quality and other methods exist to determine the presence and scope of any indoor contamination. Because individuals may be affected differently, or not affected at all, by mold contamination, the surest approach to determine the presence of contamination is to engage the services of a qualified professional to undertake an assessment and/or sampling. Assessments and samplings for the presence of mold contaminatin can be performed by qualified industrial hygienists, engineers, laboratories and home inspection companies that offer these services. Information pertaining to indoor air quality is available through the United States Environmental Protection Agency and may be obtained by contacting IAQ INFO, P.O. Box 37133, Washington, D.C. 20013-7133, 1-800-438-4318.

INFORMATION REGARDING THE HOME INSPECTION LAW (68 Pa. C.S.A. §7501, et. seq.)

(Paragraph 7: Inspections)

Applicability: The Home Inspection Law applies to "residential real estate transfers," defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN **FOUR RESIDENTIAL DWELLING UNITS** are involved.

The following definitions are taken from the text of the Home Inspection Law

Home Inspection: A non-invasive, visual examination of some combination of the mechanical, electrical or plumbing systems or the structural and essential components of a residential dwelling designed to identify material defects in those systems and components, and performed for a fee in connection with or preparation for a proposed or possible residential real estate transfer. The term also includes any consultation regarding the Property that is represented to be a home inspection or that is described by any confusingly similar term. The term does not include an examination of a single system or component of a residential dwelling such as, for example, its electrical or plumbing system or its roof. The term also does not include an examination that is limited to inspection for, or of, one or more of the following: wood-destroying insects, underground tanks and wells, septic systems, swimming pools and spas, alarm systems, air and water quality, tennis courts and playground equipment, pollutants, toxic chemicals and environmental hazards. The scope of a home inspection, the services to be performed and the systems and conditions to be inspected or excluded from inspection may be defined by a contract between the home inspector and the client.

Home inspection report: A written report on the results of a home inspection.

A home inspection report shall include:

- (1) A description of the scope of the inspection, including without limitation an identification of the structural elements, systems and subsystems covered by the report.
- (2) A description of any material defects noted during the inspection, along with any recommendation that certain experts be retained to determine the extent of the defects and any corrective action that should be taken. A "material defect" that poses an unreasonable risk to people on the property shall be conspicuously identified as such.

A home inspector shall not express either orally or in writing an estimate of the cost to repair any defect found during a home inspection, except that such an estimate may be included in a home inspection report if:

- (1) the report identifies the source of the estimate;
- (2) the estimate is stated as a range of costs; and
- (3) the report states that the parties should consider obtaining an estimate from a contractor who performs the type of repair involved.

Seller shall have the right, upon request, to receive without charge a copy of any inspection report from the party for whom it was prepared.

Home inspector: An individual who performs a home inspection.

National home inspectors association: Any national association of home inspectors that:

- (1) Is operated on a not-for-profit basis and is not operated as a franchise.
- (2) Has members in more than ten states.
- (3) Requires that a person may not become a full member unless the person has performed or participated in more than 100 home inspections and has passed a recognized or accredited examination testing knowledge of the proper procedures for conducting a home inspection.
- (4) Requires that its members comply with a code of conduct and attend continuing professional education classes as an ongoing condition of membership.

A buyer shall be entitled to rely in good faith, without independent investigation, on a written representation by a home inspector that the home inspector is a full member in good standing of a national home inspection association.

Material defect: A problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is near, at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

CONDOMINIUM/PLANNED COMMUNITY NOTICE

(Paragraph 21: CONDOMINIUM/PLANNED COMMUNITY (HOMEOWNER ASSOCIATION) PUBLIC OFFERING STATEMENT)

The **Uniform Condominium Act** defines "condominium" as real estate, portions of which are designated for separate ownership and the remainder of which is designated for common ownerships solely by the owners of those portions. Real estate is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

The **Uniform Planned Community Act** defines "planned community" as real estate with respect to which a person, by virtue of ownership of an interest in any portion of the real estate, is or may become obligated by covenant, easement or agreement imposed on the owner's interest to pay any amount for real property taxes, insurance, maintenance, repair, improvement, management, administration or regulation of any part of the real estate other than the portion or interest owned solely by the person. The term excludes a cooperative and a condominium, but a cooperative or condominium may be part of a planned community. For the purposes of this definition, "ownership" includes holding a leasehold interest of more than 20 years, including renewal options, in real estate. The term includes non-residential campground communities.

Fees: Buyer may be responsible for capital contributions, initiation fees or similar one-time fees in addition to regular monthly maintenance fees.

A condominium or planned community may be created only by recording a **declaration** signed by all persons who have an ownership interest in the real estate that will ultimately be transferred to the individual unit owners. A person, persons, or entity that records the declaration is commonly referred as the **declarant**. The Acts require that a declarant that sells a unit in a condominium or planned community provide the purchaser with a **public offering statement**.

PUBLIC OFFERING STATEMENT

A public offering statement must be offered for the protection of purchasers. Public offering statements may vary depending upon the nature of the condominium or planned community but will generally contain a brief description of the condominium or planned community including types, numbers, and schedule of commencement/completion of buildings, units and amenities; the number of additional units that may be included; a description of options reserved by the declarant to withdraw real estate and the effect that withdraw would have; a description of the significant features of the declaration, by-laws, rules and regulations; a balance sheet and projected budget; the initial or special fees that Buyer may owe at closing; the terms and significant limitations of any warranties provided by declarant; a notice of buyer's right to cancel following receipt of the Public Offering Statement; a description of how votes are allocated among unit owners, and other information as required by the Acts. If the condominium or planned community declaration provides that ownership or occupancy of the units may be owned in time-shares, additional information is required to be in the Public Offering Statement, including a summary of the special risks inherent in time-sharing.

Exemptions from the Uniform Condominium Act and Uniform Planned Community Act When a Public Offering Statement is Not Required

A declarant is not required to provide the buyer of a condominium or planned community unit with a public offering statement under the following circumstances.

The transfer of the unit is a gratuitous transfer.

The transfer of the unit is required by court order.

The transfer of the result of a disposition by a government or a governmental agency.

The transfer of the unit is a result of a disposition by foreclosure or deed in lieu of foreclosure;

The unit of the condominium is situated wholly outside of the Commonwealth and the contract was also executed outside of the Commonwealth.

MEDIATION (Paragraph 31: Mediation)
DISPUTE RESOLUTION SYSTEM RULES AND PROCEDURES

The written agreement can be achieved by a standard clause in an agreement of sale, an addendum to an agreement of sale, or through a separate written agreement.

The Transmittal Form should be available through the Administrator's office. The initiating party should try to include the following information when sending the completed Transmittal Form to the Administrator:
 - a. A copy of the written agreement to mediate if there is one, OR a request by the initiating party to have the Administrator contact the other parties to the dispute to invite them to join the mediation process.
 - b. The names, addresses and telephone numbers of the parties involved in the dispute, including the name of every insurance company known to have received notice of the dispute or claim and the corresponding file or claim number.
 - c. A brief statement of the facts of the dispute and the damages or relief sought.
3. **Selection of Mediator** Within five days of receiving the completed Transmittal Form, the Administrator will send each party to the dispute a copy of the Transmittal Form and a list of qualified mediators and their fee schedules. Each party then has ten days to review the list of mediators, cross off the name of any mediator to whom the party objects, and return the list to the Administrator. The Administrator will appoint the first available mediator who is acceptable to all parties involved.

A mediator who has any financial or personal interest in the dispute or the results of the mediation cannot serve as mediator to that dispute, unless all parties are informed and give their written consent.
4. **Mediation Fees** Mediation fees will be divided equally among the parties and will be paid *before* the mediation conference. The parties will follow the payment terms contained in the mediator's fee schedule.
5. **Time and Place of Mediation Conference** Within ten days of being appointed to the dispute, the mediator will contact the parties and set the date, time and place of the mediation conference. The mediator must give at least twenty days' advance notice to all parties. The mediation conference should not be more than sixty days from the mediator's appointment to the dispute.
6. **Conduct of Mediation Conference**
 - A. The parties attending the mediation conference will be expected to:
 1. Have the authority to enter into and sign a binding settlement to the dispute.
 2. Produce all information required for the mediator to understand the issues of the dispute. The information may include relevant written materials, descriptions of witnesses and the content of their testimony. The mediator can require the parties to deliver written materials and information before the date of the mediation conference.
 - B. The mediator presiding over the conference:
 1. Will impartially conduct an orderly settlement negotiation.
 2. Will help the parties define the matters in dispute and reach a mutually agreeable solution.
 3. Will have no authority to render an opinion, to bind the parties to his or her decision, or to force the parties to reach a settlement.

Formal rules of evidence will not apply to the mediation conference.
7. **Representation by Counsel** Any party who intends to be accompanied to the mediation conference by legal counsel will notify the mediator and the other parties of the intent at least ten days before the conference.
8. **Confidentiality** No aspect of the mediation can be relied upon or introduced as evidence in any arbitration, judicial or other proceeding. This includes, but is not limited to, any opinions or suggestions made by any party regarding a possible settlement; any admissions made during the course of the mediation; any proposals or opinions expressed by the mediator; and any responses given by any party to opinions, suggestions, or proposals.

No privilege will be affected by disclosures made in the course of the mediation.

Transcripts or recordings of the mediation will not be allowed without the prior, written consent of all parties and the mediator.

Records, reports, and other documents received or prepared by the mediator or Administrator cannot be compelled by an arbitration, judicial, or other proceeding, with the exception of an agreement that was reached in the course of mediation and signed by all the parties.

Neither the mediator nor the Administrator can be compelled to testify in any proceeding regarding information given or representations made either in the course of the mediation or in any confidential communication.
9. **Mediated Settlement** When a dispute is resolved through mediation, the mediator will put the complete agreement in writing and all parties will sign the written agreement within ten days of the conclusion of the mediation conference. Every reasonable effort will be made to sign the written agreement at the end of the conference.
10. **Judicial Proceedings and Immunity** NEITHER THE ADMINISTRATOR, THE MEDIATOR, THE NATIONAL ASSOCIATION OF REALTORS®, THE PENNSYLVANIA ASSOCIATION OF REALTORS®, NOR ANY OF ITS MEMBER BOARDS, WILL BE DEEMED NECESSARY OR INDISPENSABLE PARTIES IN ANY JUDICIAL PROCEEDINGS RELATING TO MEDIATION UNDER THESE RULES AND PROCEDURES, NOR WILL ANY OF THEM SERVING UNDER THESE PROCEDURES BE LIABLE TO ANY PARTY FOR ANY ACT, ERROR OR OMISSION IN CONNECTION WITH ANY SERVICE OR THE OPERATION OF THE HOME SELLERS/HOME BUYERS DISPUTE RESOLUTION SYSTEM.
